I have been asked to furnish you with information concerning the  
Government of the Soviet Union. I am not able to do so at present.  
The Government of the Soviet Union is not a government in the  
sense that it is a representative government. It is a government  
of the working class. It is a government of the working class  
and the poor peasants. It is a government of the working class  
and the poor peasants. It is a government of the working class  
and the poor peasants. It is a government of the working class
